Crime Analysis

A set of systematic, analytical processes directed at providing timely and pertinent information relative to crime patterns and trend correlations to assist the operational and administrative personnel in planning the deployment of resources for the prevention and suppression of criminal activities, aiding the investigative process, and increasing apprehensions and the clearance of cases. Within this context, Crime Analysis supports a number of department functions including patrol deployment, special operations, and tactical units, investigations, planning and research, crime prevention, and administrative services (budgeting and program planning). --Steven Gottlieb et al., 1994, "Crime Analysis: From First Report to Final Arrest."

SUBJECT: Crime Analysis Report March 2011

*During the month of March 2011. The Guilford Police Department had the following Part 1 and selected **Part 2** Crimes reported: Reference Appendix A for further information. This information was compiled via the AS400 system utilizing a query of all Part 1 Crimes and select Part 2 crimes from the computer database. A full review of each queried case file report was completed.*

A user friendly interactive website is available through www.crimereports.com In addition to the information and graphs listed below. The crime reports link also catalogs and provides crime graphs and trends which allow officers and supervisors to better direct their patrols in preventing crime in the town. The crime reports site links all calls for service in the town.

The Guilford Police Department investigated **982** cases for the month of March.

Burglary Cases

There were a total of (2) burglary cases filed, both were forced, both were residential in nature, one was via arrest. The unsolved case in addition to being a burglary was an armed home invasion. This case is active. None of the cases had a distinct pattern or M.O. Reference Appendix B for a graphic representation

Criminal Mischief Cases:

There were a total of (4) criminal mischief cases filed; (1) was window damage, (2) were private property, and (1) was public property. One of the cases was solved via arrest. None of the cases had a distinct pattern or modes operandi. . Reference Appendix C for a graphic representation.

Larceny Cases:

There were a total of (29) larceny complaints filed. A detailed examination of these cases revealed the following details: Of the twenty-nine cases, (10) were solved. Four of the solved cases were via arrest. A total breakdown of the types of larceny cases are as follows: (12) general larceny cases, (2) thefts from vehicles, (4) theft from building, and (11) shoplifting. None of the cases has a distinct pattern or mode operandi. Reference Appendix D for a graphic representation.

Robbery Cases:

None Reported

Arson Cases:

A large bonfire was reported on Grass Island. Both Madison and Guilford responded. The fire did not do damage to the structure on the island. No further information received on suspects. It appears that the fuel for the fire came from the wood inside the existing structure. No arrest. No similar incidents during this reporting period.

Rape Cases:

In accordance with Connecticut General Statutes details of all sexual assault cases details remain sealed.

Murder Cases:

None reported

Information and Intelligence received on criminal activity:

CTIC provided LEO intelligence during this month.

Officer Kurt Fasulo/Assigned South Sector Officer provided a detail intelligence briefing on the shoplifting incidents at the Shoreline Plaza. The briefing included information on possible suspects, as well as information he received from each businesses owner/manager in regard to their respective company policies on shoplifting.

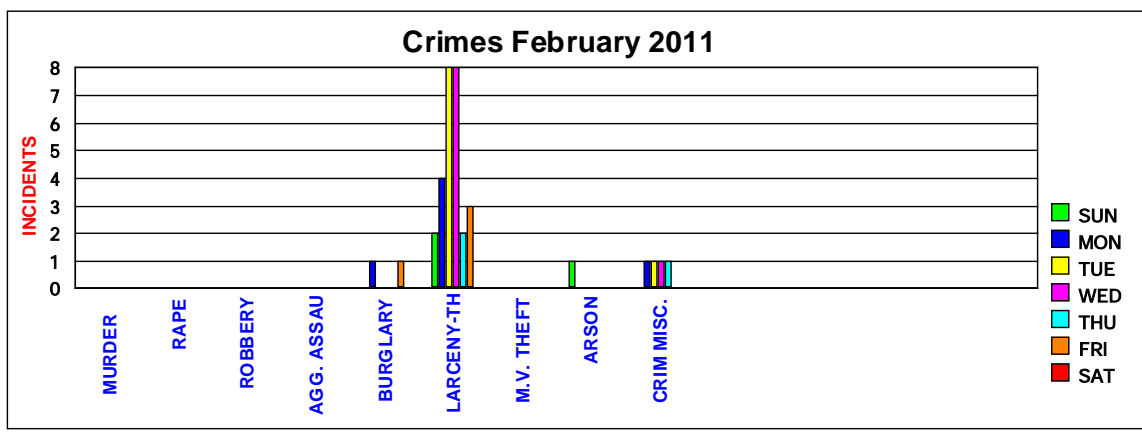

Intelligence meetings and legal update briefings were held at the New Haven County Investigative Briefing, as well as the Middlesex County Detective Association and the Shoreline Detectives in regard to on-going criminal activity in all our jurisdictions.

Sincerely,

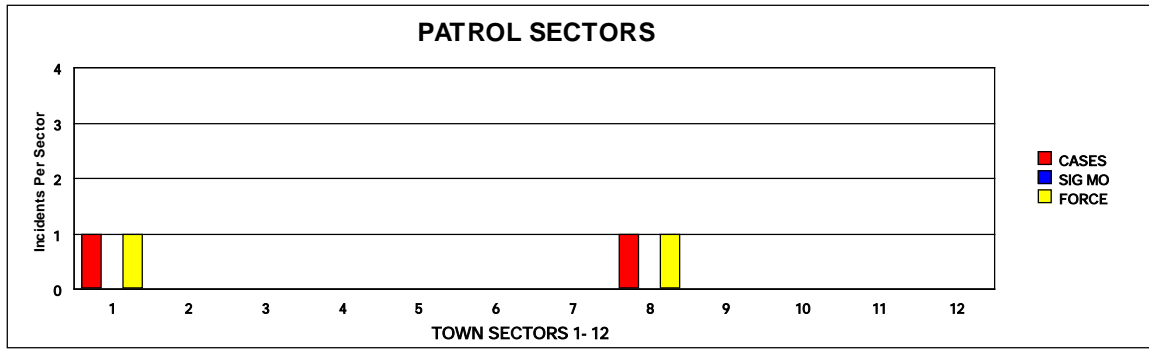

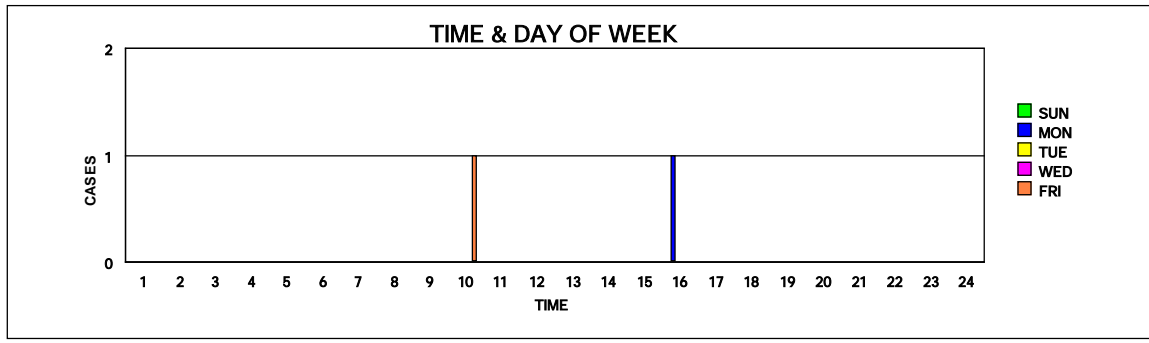

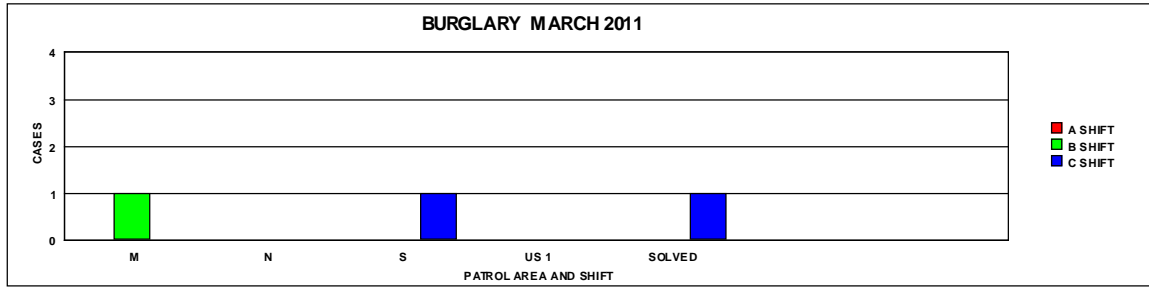

*Det. Sgt. John Dunn #64
Detective Unit Supervisor*
