Warren H. Hyatt, Jr.
Deputy Chief of Police

Press Release

Date: 08/08/2017
Subject: 2017 Guilford Burglaries

The Guilford Police Department is currently investigating a number of residential burglaries. There is no specific area of town being affected. The residences are being targeted during the daytime hours and are mostly located in cul-de-sacs and less traveled roads. These targeted homes are mostly set back from the public road, limiting the view of passing motorists.

The Guilford Police Department would like to urge citizens to secure their home, to include second story windows and doors. We would also encourage citizens to call the Guilford Police Department if you encounter any unrecognized individuals going to your home or neighboring homes. This includes those soliciting door to door, requesting directions, claiming to be lost or looking for a pet. Burglars commonly use this as a tactic to determine if a residence is occupied.

We have had additional burglaries since the last press release on 08/06/2017. We encourage residents to remain vigilant and ask that you not hesitate to call the police department for any suspicious people or vehicles in your neighborhood.
